This list is provided by the Virginia Native Plant Society (VNPS),  
400 Blandy Farm Lane, Unit 2, Boyce, VA 22620. (540) 837-1600.

Email [vnps.org@gmail.com](mailto:vnps.org@gmail.com). Website [www.vnps.org](http://www.vnps.org). To the best of our knowledge, the following nurseries do not dig plants from the wild to sell. Plants are propagated from nursery stock or responsibly collected seeds. Please report any infractions to this policy. The VNPS does not endorse or recommend any individual nursery and is not responsible for the accuracy of claims made by those organizations included in this listing.
