Sale Terms

Plants

Other than noted exceptions above all plants are potted in 4" sq. pots either 5" deep or 3 ¾" deep depending on species needs. Root systems are well developed given that most all were potted for last spring's sale that was cancelled due to Covid concerns. None are cultivars.

Processing Orders

A purchase can only be made submitting by e-mail a pdf scan (or filled in Excel doc) of this Customer Form, acceptable also is a listing of selections in e-mail's message. E-mail Customer Order or list to PlantSaleJeffChap@gmail.com no earlier than 12:00 AM on Wed. Apr. 15 and no later than noon on Mon. Apr. 19. Orders will be filled in the order received. There is no restriction (other than available quantities listed) on the quantity customer may order of a species with the exception of the Trilliums for which a customer may order no more than 5.

Customer will receive an e-mail or phone confirmation for the items on your order that can be filled. Customer will be allowed if they desire to make substitutions for sold out items on their order from in-stock quantities of other species. A finalized order will then be e-mailed to customer.

Pick-up

Soon after the order is finalized customer will be contacted to schedule a 15 min. time slot on May 1 to pick-up your order which will be assembled before your arrival. Customers will remain in their vehicle, our volunteers will load your order and collect payment. Pick-up location will be in the Ivy area located about 8 miles west of Charlottesville. Driving directions will be provided.

Payment

Only cash and checks will be accepted for payment. Sales tax included in price.
