

John Clayton Chapter 40th Annual Virginia Native Plant Sale!

2025 Wildflower of the Year Mayapple (*Podophyllum peltatum*)

Saturday, May 3, 2025

**Williamsburg Community Building
401 N Boundary St
Williamsburg, VA 23185**

9:30am –2:00pm

Cash, Check, or Credit*

The sale will have native plants that are well suited for the region, and will include perennials, trees, and shrubs. A plant list will contain information about each plant's proper growing conditions and the beneficial insects, pollinators, and wildlife they support. We will also have informational handouts and experts on hand to help you select the right plant for the right place.

**Have cash or check on hand in case of card reader failure*

John Clayton Chapter is a nonprofit organization. Proceeds from our annual sale support nature camp scholarships, school and public gardens, educational lectures, and more. *Contact us at the links below:*
