

WILLIAMSBURG REGIONAL
LIBRARY

FALL PLANT SHARE

Fall is the ideal time
for dividing and planting!

OCTOBER 25TH
1:00-3:30PM
AT THE STRYKER CENTER
(412 N. BOUNDARY STREET)

Do you love plants or want to
learn more about how to grow
your own?

Please join us for an afternoon
of interesting discussions
and plant giveaways.

Scan the QR Code to access event
details and the schedule!

FALL PLANT SHARE OCTOBER 25TH

1:00 - 3:30 PM

Visit information tables staffed by experts on native plants, wildlife and gardening.

(Located in the Stryker Center Gallery.)

1:00 - 2:30 PM

Drop off plants to be shared with others. Donations of seeds for the WRL Seed Exchange are also welcome!

(Located at the green space between WRL and the Stryker Center.)

2:00 - 2:45 PM

Attend an interesting and educational presentation by Master Gardener and Master Naturalist Judy Kinshaw-Ellis regarding how to grow beautiful pollinator friendly native plants, (even within communities with HOA restrictions).

(Located in room 127 of the Stryker Center.)

3:00 PM

Pick up a free plant and maybe more! We encourage everyone to participate, even those without any experience growing plants.
