SECOND SUNDAY WALK
(Note: on the third Sunday in December)

at Morven Park in Leesburg

17195 Southern Planter Lane, off Old Waterford Road (Route 698), Leesburg, VA 20176

Vernal Pools at Morven Park

Please meet Phil and Ellie at the Coach House Parking area where we will begin our walk. Morven Park, a 1,000 acre historic estate of Westmorland Davis, a past Governor of Virginia, first opened to the public in 1967. Our hike will be on the Catoctin Ridge where, in recent years Loudoun students and Loudoun Wildlife Conservancy volunteers have improved the trails and enhanced/created several vernal pools. The walk will include a short, but steep uphill walk before it becomes relatively flat and easy. The flora will be primarily a mixed hardwood forest. Participants should wear sturdy, waterproof hiking shoes and dress for the weather.

This walk is free and open to the public but limited to 20 participants; therefore registration is required. To RSVP and for more details contact piedmontvnps@gmail.com.

We hope to see you there!
