Prince William Wildflower Society

JANUARY MEETING

Monday, January 21, 7:30 p.m.
Bethel Lutheran Church, Sudley Rd. & Plantation Ln.

ALASKAN WILDFLOWERS

Slide Program and Commentary
Bill Dunne, Ranger
Denali National Park, Alaska

Bill Dunne will share with us the wildflower slides he has taken during the past three years he has worked as a ranger at Denali National Park in Alaska. Bill, who spends his winters in this area, will be returning to Alaska in March.

Wildflower seeds will be available at the meeting. Bring any seeds that you have collected to exchange with other members.

WRITE THOSE LETTERS!

All members recently received a mailing from Faith Campbell, VWPS Conservation chairman, asking our support in passage of legislation to list the Small Whorled Pegonia as an endangered species.

Letters to legislators are very effective in getting legislation passed and we're counting on every member to write. (See Faith's letter for details)
