Upcoming Events

- ❖ **April 14 Earth Day Staunton includes Shenandoah Chapter Plant Sale** Mark your calendars for Saturday, April 14, 9am-noon, when our chapter again conducts its popular sale at Staunton Earth Day, 9am-noon!

The second Saturday sale will be at Riverfest, April 28 at the Waynesboro Farmers' Market.

VOLUNTEERS, the mild winter weather is calling you to stroll around you garden, take note of plants needing division or areas getting crowded, and plan what you can donate! If you have already started plants from seeds, when they emerge from the ground, please pot up the extra ones for sale.

WE NEED YOUR HELP in two ways:

- (1) Bags of potting medium and pots will be available at the April program meetings. You can bring your plants to the April meeting, or we can arrange to pick them up from you.
- (2) It's great fun working the day of the sale, and sharing your expertise and enthusiasm! Let us know if you can sign up for an hour or two at either of the sales.
