Other organizations and efforts not covered in our talk but still important....

1. Virginia Outdoors Foundation/Local land trusts – conservation easements
2. IUCN (International Union for Conservation of Nature) and CITES (the Convention on International Trade in Endangered Species of Wild Fauna and Flora – international conservation and regulation of trade in endangered species
3. Center for Plant Conservation – seed collection and storage, ex-situ conservation
4. EPA Section 404 of Clean Waters Act – regulatory wetland habitat protection
5. Virginia Environmental Endowment – funding for all types of conservation projects
6. Xerces society – National pollinator and insect conservation group
7. Blue Ridge Partnership for Regional Invasive Species Management (PRISM) – invasive species management
8. County/City governments – local land conservation and zoning ordinances
9. Southeastern Grasslands Initiative – conservation organization promoting se U.S. grassland conservation/restoration
10. Natural Areas Association – U.S. membership organization sharing knowledge of Natural Area management
11. U.S. DOI – National Invasive Species Council – U.S. Invasive species issues addressed here
12. The Wintergreen Nature Foundation – central Blue Ridge conservation organization, flora focus
13. The Clifton Institute – Northern piedmont environmental and educational focus
14. BLM Plant Conservation Alliance – U.S. based working on BLM and other lands
